Providing Security, Hospitality and Training solutions across the UK

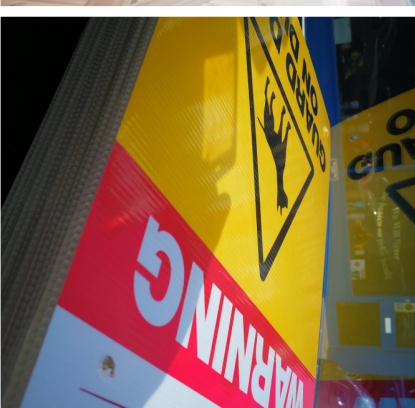

SECURITY

Paratus has supported a wide range of sites, venues and events over the past 10 years.

Every provision is treated like the first with a full understanding of the client's needs and expectations when protecting their brand.

We believe in providing quality team members and have a hand-picked selection of fully qualified, vetted and customer-focused individuals that enjoy what they do.

Paratus is a family run business and as such you can expect a personal and transparent service from the moment of requesting a quote.

EVENTS

Whether a private party or national festival Paratus has experience of providing full team; conducting a wide range of services from searching through to response and event safety teams.

GUARDING

Asset protection is imperative in this day and age. Paratus understands this but also understands that interaction and service is as important as preventing loss or damage. Paratus supplies switched on trained individuals to allow you peace of mind 24/7

CONSULTANCY

Not sure where to start? Would you benefit from an independent review? Paratus has the ability to offer bespoke site surveys or policy reviews. Contact us for a full overview of what we can offer to you.

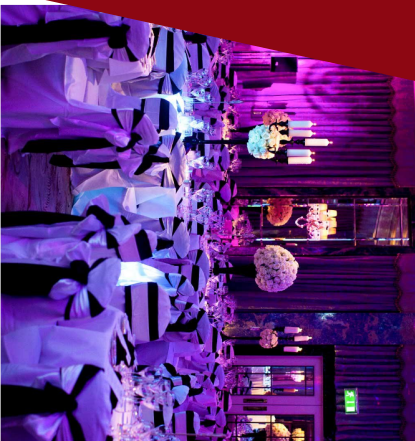

HOSPITALITY

Paratus partners with a wide range of clients providing a range of services including event management, teams or individuals of temporary staff while also assisting large companies place permanent staff.

Paratus works to supply to everything from high end hotels, bars and restaurants through to full teams for events, festivals and music events.

Paratus places a huge focus on finding the right team for the right venue with the right skills.

TEMPORARY STAFF

Flexing your workforce has never been so necessary and Paratus understands the need for extra quality team members as demand changes within your business.

Paratus has a large pool of enthusiastic team members with a mix of casual workers along with candidates looking for their next move.

EVENT MANAGEMENT

Organising an event, no matter the size has a lot of moving parts.

Paratus can help with a full management solution from set up to pull down through to taking on an entire element of your event so you don't have to get caught up with the detail.

Give us a call to see how we can help you.

RECRUITMENT

Finding the right candidate for your business can be time consuming. Paratus can work with you to understand what a great candidate looks like for you and provide you with options.

Paratus also has a temp to perm package if you find one of our temporary staff is a great fit for your business...
